

Energy Leader Partnership Program – Tier Levels

Through the Energy Leader Partnership (ELP) program, Ventura County Regional Energy Alliance (VCREA) and Southern California Edison (SCE) join together to help achieve a joint vision of sustainability. Support is given to local governments to identify and address energy efficiency opportunities in municipal facilities, take action supporting the California Long-Term Energy Efficiency Strategic Plan, and increase community awareness of Integrated Demand-Side Management (IDSM) opportunities.

	Silver Level	Gold Level	Platinum Level
Valued Partner	Increased Project Incentive of \$0.06/kWh	Increased Project Incentive of \$0.09/kWh	Increased Project Incentive of \$0.12/kWh
	Ojai Santa Paula Simi Valley Thousand Oaks Ventura	Moorpark Port Hueneme County of Ventura	Camarillo Fillmore Oxnard

Advancement to the next tier is achieved by kWh savings from municipal projects, community outreach events, and enrollment in demand response.
